

## Straight from the horse's mouth!

Low cost alternatives to traditional library discovery services

[www.journaltoCs.ac.uk](http://www.journaltoCs.ac.uk)

Using smart free tools to create "Current Awareness" services in an "age of austerity"

JournalTOCs connects librarians and academics with tomorrow's research today, directly from the original source of information (publishers), by harnessing the power of OPML and RSS feeds
